**Community Problem Solving Showcase Tonight!**

Stop by the **Ice Rink** from 7:30PM to 9:30PM and check-out the awesome Community Problem Solving projects fellow FPSers have completed!

You'll be amazed by what all of the students are doing to improve their communities and how they are *Promoting Positive Futures*. The students who worked on the projects will be there to answer questions.

A complete listing of all projects and brief descriptions can be found in the *Community Problem Solving Summaries 2019 International Conference* booklet provided at IC registration. Non-participants or observers may visit the Showcase for a donation of \$5.

**Mandatory Presentation of Action Plan Coach Meeting**

All coaches or designated representatives must meet their GIPS teams at the assigned competition room at the time noted in the check-in materials.

**A coach or representative must be present to pick up the Presentation of Action Plan packet - including the Mystery Quote and Props.**

**Contribute and help Craig's Doors**

With a donation to **Craig's Doors**, you can be assured that your gift will be used to support families in and around Amherst. Visit the [FPSP](#) website for more information about this charitable organization.

***If all IC participants donate just \$1 - over \$2000 will be raised!***

Today, donations are being accepted during the CmPS Showcase.

**Scenario Performances**

Don't forget about the popular, live competition of traditional oral storytelling. Everyone is invited to attend these amazing performances.

*Junior: 6:00PM*

*Middle: 7:15PM*

All performances will be in the **Thompson Building 104** and performers will need to report **15 minutes early**.

**CMPS Interviews**

Here are some tips from a former CmPS evaluator to help you perform at your best!

1. Show your passion about your project to the evaluators.
2. Share the spotlight—include the whole team in the interview process.
3. Share any of your accomplishments since the Affiliate Bowl.
4. Think about this question: How many lives have been changed? And more importantly, *how were the lives changed?*

**Zippy News Reminder**
