To view student work:

The screenshot displays the FPSP Teacher Module interface. On the left is a dark sidebar menu with the following items: FPSP TEACHER MODULE, Dashboard, Toolbox, Teams, Students, View Work, Team Booklets, View Evaluations, and Register New Teams. The main content area features a filter bar at the top with dropdown menus for Topic (set to -Choose topic-), Class (All), Team (All), and Status (All). Below the filter bar are two panels for 'PRACTICE PROBLEM 1 TEAM GIPS: TEAM JR1' and 'PRACTICE PROBLEM 2 TEAM GIPS: TEAM JR1'. Each panel includes an 'Upload GIPS Booklet or Scenario Writing File' button. In the first panel, a file named 'FPS PP1.PDF' is listed with a red arrow pointing to it. A 'VIEW BOOKLET' button is also present in the first panel with a red arrow pointing to it. Below the file list, a 'Team Members' list includes: 1. Chloe Boucher, 2. Eden Wickett, 3. Grace Keezer, and 4. Joel Boucher. To the right of this list is a 'Project status: 0%' section with a progress indicator and a list of metrics: 1. 0 challenges entered, 2. 0 underlying problems entered, 3. 0 solutions entered, 4. 0 criteria entered, 5. 0 rankings, and 6. 0 plans entered. The second panel for Practice Problem 2 has an identical layout but with a '5. 0 rankings' metric.
