Each writer's task is to write a Scenario in 1000 words or less that fits within the Future Scene's parameters - TIME, PLACE, and TOPIC.

Items to note as you write your Scenario:

- Your Scenario should have a title. This does not count toward the 1000-word limit.
- You will only be evaluated on the first 1000 words of your Scenario.
- Your name, Affiliate, school, location, etc., should not be in anywhere in the Scenario or its title.
- To download a PDF of the Future Scene, click "Toolbox" in the left menu, then click the link to download the Future Scene.

To save your work, click "Enter" at the bottom of the text box. If you exit without clicking Enter, your work will not be saved.
