

## Viewing Evaluation and Feedback

1. Login to your student Dashboard. On the popup, click, "My Feedback."
2. A list of the Topics/Problems for which you submitted work will appear. Select the one for which you wish to view the evaluation.
3. The score sheet will appear in a new window. It can be viewed there, exported to a PDF, or printed (the latter two options are on the top right of the screen.)

The screenshot shows the FPSPI student dashboard. A modal window titled "My Activities" is open, displaying a welcome message and navigation options. A red arrow points to the "My Feedback" link.

**Welcome to the FPS problem solving platform!**

Use the following tabs to navigate through the FPS features.

The screenshot shows a "Workbook Scoresheet" for a "Practice Problem 1". It includes a "Summary" section with a "Scoring" table. A red arrow points to the "Print" icon in the top right corner.

### Workbook Scoresheet

This is the classic 6 step creative problem model used for PP1 and PP2. Students identify challenges, identify the underlying problem, generate solutions to solve the underlying problem, pick criteria, apply criteria, and develop a plan of action.

### Summary

Problem: FPS Team GIPS Competition Division: Junior Team Topic: Practice Problem 1 Team GIPS Booklet Code: 66ed5c Booklet Rank: Unranked  
Total Points: 70 points

Scoring	
Step 1:	21 pts
Step 2:	19 pts
Step 3:	13 pts
Step 4:	0 pts
Step 5:	0 pts
Step 6:	0 pts
Overall Scoring:	17 pts

### Step 1 Scoring.

**Objective:**

Identify challenges, issues, concerns and problems within the given task scenario.
