In Round 1, packets of 7-9 Scenarios were scored by two evaluators. Within the packet, total score for each Scenario was used by each evaluator to determine the Scenario's rank. Advancement to Round 2 is based on points, ranks, and internal opinion values, which are used to tabulate a Composite Score. Scenarios with a Composite Score of 13 or lower or a rank of 1. Scenario Writing Round 2 was evaluated by a third evaluator who had not previously scored these Scenarios. All three evaluations were used to perform a Paired Comparison Analysis to determine final placement for awards.
