

FPSPI Research and Development Grant Application

DUE MARCH 30, 2020

The purpose of the Research and Development Grant is to encourage new ideas and research that will strengthen Future Problem Solving and provide benefits to involved students, their coaches, and/or other communities/ community members.

Our MISSION is to develop the ability of young people globally to design and achieve positive futures through problem solving using critical and creative thinking.

Please type information into the boxes.

| Applicant Name: | |
| Address: | |
| E-mail: | |
| Phone: | |
| Affiliate Program or Agency: | |
| Project Title: | |

Be innovative in planning your project. Impress FPSPI with your ideas for bringing about positive change! *Possible areas for consideration might include the following:*

- Attracting students/parents/coaches/administrators/community to FPSPI
- Offering FPSPI to new populations
 - How is FPSPI offered? (gifted class? full class? co-curricular? curricular? for credit? other?) How else can FPS be offered?
- Establishing long-term benefits of participation in FPS
 - How can research data be used in comparing FPS to test data, student performance, or curriculum improvement?
- Encouraging program growth/expansion

Who may apply: Any Affiliate Director, coach, evaluator, or interested party

Award Amount: Up to \$2,000.00 (US)

85% of the funded amount will be awarded when project is accepted.

15% will be awarded when the following tasks have been completed:

- A. Progress report submitted, postmarked by December 1, 2020
- B. Final report of results and outcomes submitted to FPSPI by May 15, 2021
- C. Presentation (written, and oral if possible) of grant results to Affiliate Directors at the Affiliate Council meeting in June 2021

Deadline: Applications must be emailed by March 30, 2020

Submission Process:

- E-mail: single pdf document including required information from this form and the required proposal elements (listed below) to brad@fpspi.org (“R&D Grant” in the subject line)

Your R&D Grant Proposal should include the following elements:

1. Statement of need – Rationale and Target Population
2. Description of project – Goals with timeline
3. Objectives with Strategies for Implementation
4. Budget
5. Evaluation Plan (including proposed outcomes/results)
6. If appropriate, include possible marketing ideas for the data including strategies, suggestions and procedures.

Criteria – Please address the following questions in your proposal:

1. How will this project address the Program’s Mission?
2. In what ways will the project be of benefit to students? Coaches? Others?
3. How will the project strengthen FPS Programs?
4. What benefits have been documented?
5. How will the project accomplishments be shared?

Compliance with FPSPI Policies and Mentoring Guidelines is mandatory. Applications in need of revisions to meet policy and guidelines will be asked to consider edits for resubmission.

This memo may be reproduced and distributed to interested individuals.
